ARTIST BIO

Beki is a multimedia artist, DJ, and producer born and raised in New York. While her roots began in visual art, Beki eventually channeled her creative energy into music, within which she applies the same principles: soul, flow, energy, and feeling... always in the business of respecting the groove.

Beki is known for her flawless mixing and larger-than-life charisma, in and out of the spotlight. Over the past seventeen years, Beki has honed her craft, most notably specializing in vinyl as she sweeps dance floors with an old-school, soulful flavor that packs a timeless groovy punch. Her versatile record collection ranges from potent soul-hitting house and tech, to old-school funk and disco, to R&B and hip-hop. She layers each track atop the next in a way that's so seamless, listeners don't even notice the shift, only that they've arrived somewhere unexpected. Also a prolific writer, Beki often incorporates live spoken word into her DJ performances.

Beki has performed in clubs around the world, holding residencies in NYC, Montréal, and now Miami, where she currently lives and has been based out of for 13 years. Beki was awarded Best DJ by *Miami New Times*' People's Choice Awards. Her partnership with Katie Ox called **"Birds in Paradise"** includes two radio shows and an original party series at the Sagamore Hotel in South Beach.

[INTERVIEW + GUEST MIX] SOUL-TECH MAESTRO, BEKI POWELL SHOWS US WHAT AN INTUITIVE GROOVE IS

Miami-based and soul/funk rich, Beki Powell, brings the nostalgia of a quality groove in her exclusive Soul-heavy set and interview for Magnetic Magazine!

MASHA LUKASHENKO · 19 HOURS AGO

Picture it, Miami Winter Music Conference this past March and Soul Clap's House of Efunk was blowing the roof off of Electric Pickle. The main room upstairs was being housed by Kenny Dope, Dâm-Funk and Soul Clap meanwhile, the decks downstairs were spinning an ill vibe of funk with techno beats. Turns out the auditory candy I was hearing downstairs was being dished out by Miami-based, Beki Powell.

Read More

Miami-based DJ Beki Powell is up for nomination in the acclaimed Miami New Times for the award of "Best DJ", which would be printed in its upcoming December issue showcasing its 2020 Best of Miami® awards.

Beki is known in Miami and internationally for her "old school flavor", as she boasts a diverse record collection spanning five decades of soul-shaking music. She lights up the dance floor with her infectious energy, as her hypnotic grooves never fail to get her audience moving.

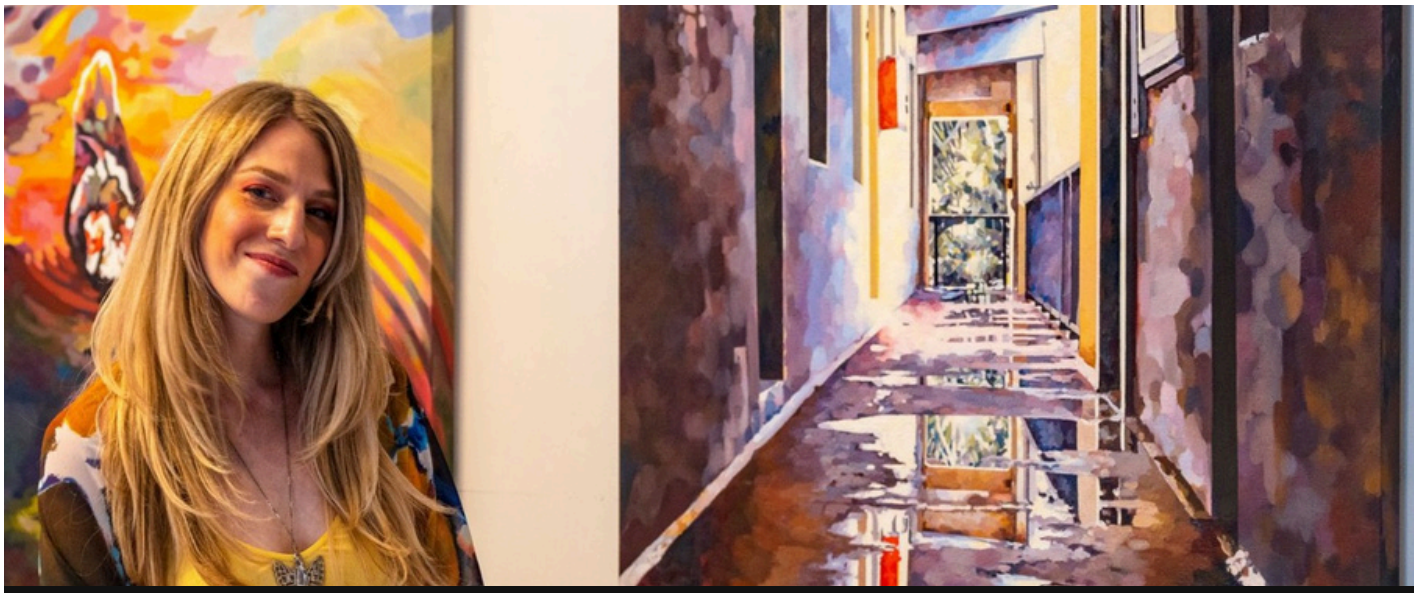

With her roots in New York City, Beki was attending night clubs and concerts from a ripe age of 16, where she began to collect her inspiration that would lead her to become the versatile DJ she is today. Her genres range from classic house, to funk and soul, to hip hop and R&B, all in which she layers in a seamless, progressive stream of consciousness.

THE ART OF BEING YOURSELF

"Not fitting in became my superpower."

SELECTED EXCERPTS FROM THE ORIGINAL VOYAGEMIA INTERVIEW

ARTIST / AUTHOR / DJ & PRODUCER

CHECK OUT BEKI POWELL'S STORY

THE INTERVIEW

"I'm Beki Powell—artist, author, DJ/producer. Born and raised in New York, I was an awkward kid, definitely more elf than human. Not fitting in became my superpower. Free from the pressure to conform, I embraced my eccentricity and channeled my energy into art and writing."

"In 2006, I started DJing on my boyfriend's Technics turntables. After posting a few mixes online, I got offered my first gig in NYC. I nervously told the promoter, 'I never played in a club before', to which he said: 'So what?'"

A CREATIVE LIFE, UNBOUND

THE SOUND

"I create experiences that move people – sonically, visually, and emotionally. As a DJ, I specialize in vinyl and love layering different genres like house, funk, disco, R&B, and hip-hop."

ACROSS MEDIUMS

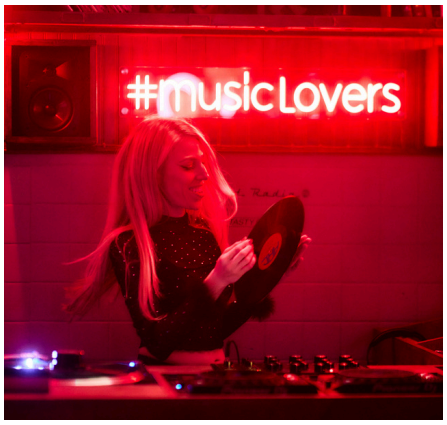

"I often like to compare oil paint to vinyl. Both are rich and buttery, making them a pleasure to blend. The result is something full-bodied and alive. As far as my writing goes, I bring the same playful, distinctive voice to my poetry, songs, and books."
