ARTIST BIO

Beki is a multimedia artist and DJ born and raised in New York. While her roots began in visual art, Beki eventually channeled her creative energy into music, within which she applies the same principles: soul, flow, energy, feeling — always in the business of respecting the groove. Over the past fifteen years, Beki has performed in clubs all over the world, most notably specializing in vinyl as she sweeps dance floors with an old-school, soulful flavor that packs a timeless groovy punch.

Beki is known for her flawless mixing and larger-than-life charisma, in and out of the spotlight. She tailors each performance to the crowd and occasion, her versatile record collection ranging from potent soul-hitting house, to old-school funk & disco, to R&B and hip-hop. She melts each track into the next in a way that is so seamless, listeners don't even notice the shift, only that they've arrived somewhere completely unexpected. Also a prolific writer, Beki incorporates spoken word into her DJ performances.

Beki has held residencies in NYC and Miami and plays frequently in Montréal. Since moving to Miami in 2014, Beki has hosted multiple radio shows and co-founded two female DJ collectives. She was awarded Best DJ by *Miami New Times*' People's Choice Awards. She currently co-hosts monthly radio show **["Birds in Paradise"](#)** with Katie Ox, airing every first Thursday of the month on Jolt Radio. Their second show, "At Play" premieres this December on Frisky Radio.

Residencies: Mad Radio, Esme, The Electric Pickle, ATV, No 3 Social, Treehouse, Nomad, The New Yorker, TSL, Congress Hotel (Miami), Bushwick A/V, TBA Brooklyn, Output/The Panther Room, The National Underground (NYC), Le Salon Daomé (Montréal).

[INTERVIEW + GUEST MIX] SOUL-TECH MAESTRO, BEKI POWELL SHOWS US WHAT AN INTUITIVE GROOVE IS

Miami-based and soul/funk rich, Beki Powell, brings the nostalgia of a quality groove in her exclusive Soul-heavy set and interview for Magnetic Magazine!

MASHA LUKASHENKO · 19 HOURS AGO

Picture it, Miami [Winter Music Conference](#) this past March and [Soul Clap's](#) [House of Efunk](#) was blowing the roof off of [Electric Pickle](#). The main room upstairs was being housed by [Kenny Dope](#), [Dâm-Funk](#) and [Soul Clap](#) meanwhile, the decks downstairs were spinning an ill vibe of funk with techno beats. Turns out the auditory candy I was hearing downstairs was being dished out by Miami-based, Beki Powell.

It is Beki's firm, genuine belief that "music and art are meant to be shared, and there is nothing like experiencing those electrifying, emotion-soaked moments alongside the hearts of others."

ALX

Alex Sanchez, more commonly known as ALX, fuels his audience by combining deep and energetic styles of music from across the globe. Surrounded by the vibrant flavors of his hometown Miami, ALX's one-of-a-kind concoction of deep, rumbling techno mixed with electro, high energy grooves erases his audience in vibrancy from dusk 'till dawn. His reputation for distinctive beats and style has earned him a seat as one of today's most promising techno exports. ALX's contribution to the scene exceeds the title of DJ.
